Dr. Robert A. Turner

Dr. Robert A. Turner has been appointed Director of Biological Science Laboratory, a division of Foster D. Snell, Inc., consulting chemists, biologists and engineers.

In making the announcement, Dr. Foster Dee Snell, Chairman of the parent company, stated that Dr. Turner will be responsible for the operations of the newly formed division, the facilities and equipment of which were acquired recently by Foster D. Snell, Inc., from the New Drug Institute. The principal
